95+ women lawyers — 1/3 of whom are attorneys of color — returning to the workforce after taking extended hiatuses have been matched with top law firms and legal departments across the U.S. for one-year paid Fellowships through OnRamp since its inception in 2014.

*Many thanks to the talented career coaches who support the Fellows as they return to the practice of law! Meet them at TopLawyerCoaches.com.*

**200 by 2025**

Our goal is to bring 200 additional diverse lawyers back into the profession over the next few years!

Diversity Lab is partnering with 4 trailblazing law firms to achieve their MTN diversity, inclusion, and equity goals by 2025 through experimental bias interrupters and collective efforts with legal departments to ensure all lawyers — including those historically underrepresented in law — have ample and equal access to career-enhancing opportunities.
